

GAME HARD UPGRADE PRICE LIST

Drives	Additional Monthly Fee (€)	Comment
30Go NVMe SSD	2.99	
60Go NVMe SSD	3.99	
90Go NVMe SSD	5.99	

In this price list, we present the additional hard disk options available for all Game offers.

GAME RAM UPGRADE PRICE LIST

Offers	RAM Upgrade	Additional Monthly Fee (€)	Comment
Performances Standard	1Gb additional ram	0.50	
Performances Extrême	1Gb additional ram	0.80	

This price list ensures that you can easily identify the RAM upgrade options available for your servers and make informed decisions based on your requirements. The 'Comment' section provides valuable insights into compatibility and recommended use cases for each upgrade.

GAME ADDITIONAL VCPU PRICE LIST

Server	vCPU Upgrade	Additional Monthly Fee (€)	Comment
Performances Standard	1 additional vCPUs	0.80	The maximum number of vCPUs per server is 16
Performances Extrême	1 additional vCPUs	1.20	The maximum number of vCPUs per server is 16

These prices are for additional enhancements to your server; therefore, they are higher than those for an initial offer and relate only to hardware. Regarding the number of backups or databases, the rates remain the same as those applied at the purchase of a basic offer.

NOTE : WHEN YOU CHOOSE ADDITIONAL HARDWARE UPGRADES FOR OUR GAMING PLANS, PLEASE NOTE THAT A MINIMUM OF 5€ IS REQUIRED. THIS MEASURE IS IN PLACE TO PREVENT THE GENERATION OF EXCESSIVELY LOW BILLS, WHICH COULD LEAD TO LOSSES DUE TO TAXES IMPOSED BY PAYMENT PLATFORMS.
